Agenda

UX Advisory Group

Thursday, September 24

9:30 - 11 AM

1. Introductions (5 minutes - discussion)
2. Intro to the UX Advisory Group (10 minutes - presentation)
   - This presentation will serve as a brief explanation of user experience as well as define the role of the UX advisory group within CCS.
3. Round up of past UX projects at CCS (20 minutes - presentation)
   - This presentation details past UX advisory group recommendations and outcomes.
4. Proposed projects for FY20-21 (10 minutes - presentation)
   - This presentation will introduce the advisory group to the FY20-21 project: Notices. Notices are the print, email, and text notifications patrons receive from the ILS that communicates everything from renewals, overdue items, and holds.
5. Participatory Design Activity - Notices (30 minutes - activity)
   - In this activity, we'll spend some time reviewing what we love and hate about current notices using a virtual post-it note board.
