Missing Prices in Item Records for Magazine Issues

Option to update each record's price:

1. Run a report in SimplyReports to identify Magazine item records missing a price.
2. You can bulk add a price to the records by using the ad hoc bulk change or bulk change from a record set.
3. Modify the publication pattern in the serial holdings record by adding in the price.
4. After the price has been added into the serial holdings record, all new issue and item records will have a price.

Option to update the replacement fee:

1. Contact the helpdesk to change the replacement fee to an amount lower than \$25.01.

Missing Item Procedures

- Do not check out missing items with a missing item barcode.
- Missing items that are checked out are still visible in the PAC.

Deleting Item Records

- Please don't double delete the item records.
- Pressing the delete button once marks a record for deletion.
- If you double delete the item records, they can't be recovered.
- They are automatically purged once a month.

Travel guides, test prep books, tax prep books & law guides

- Any new books should be on single volume records.
- The multivolume records are older records that will be retained until all books are withdrawn.
- Do not use multivolume records for new books.
