3. Revisit motions for new genre headings after CAMM discussion (15 – 20 min.)
 - i. Materials for new literates
 - ii. Materials for adults with memory challenges

Summary of CAMM discussion:

- CAMM didn't pass the motion.
 - Two separate motions are recommended.
 - Consider other options:
 - Materials for new literates: One suggestion is "Literacy materials." There was discussion about working the terms so that beginning youth reader material would not be collapsed under a general term and how to define the reach of the terms.
 - Materials for adults with memory challenges: In the discussion about this topic there were a number of other suggestions for wording, including "People with memory challenges"
4. Potential Actions: Motion to recommend new genre terms as discussed during the previous agenda item.
